# Data acquisition, 3D Visualization & Evaluation Software package MIRA NEO® Desktop

## POLICY

1. The desktop application software MIRA NEO® Desktop is an accompanying product for the ultrasonic instruments A1040 MIRA 3D and A1040 MIRA 3D PRO

2. The software MIRA NEO® Desktop is included in the standard delivery volume of A1040 MIRA 3D and distributed as a "ONE OFF" floating license including one-year free Update & Support Service (U&SS).

3. The software license is locked with the electronic key related to the particular A1040 MIRA 3D unit. The license can be deactivated on one PC and activated on another PC

4. By not extending the U&SS customer can still use the software with its full functionality. The software functionality will no be longer updated.

5. The price of an additional license of the MIRA NEO® Desktop including 12-months U&SS amounts to 3.990 EURO.

6. The U&SS can be extended after expiry for further 12 months. Extension price amounts to 3.990 EURO

7. For easing bidding procedures by governmental organizations following U&SS bunches can be purchased

- MIRA NEO® Desktop + 12 months U&SS: 3.990 EURO
- MIRA NEO® Desktop + 24 months U&SS: 6.490 EURO
- MIRA NEO® Desktop + 36 months U&SS: 8.990 EURO
- MIRA NEO® Desktop + 48 months U&SS: 9.990 EURO
